

Algebra 2

Mid-Year Test

GOOGLE FORM

OPTION

For your convenience, this assessment has been snipped into Google Forms™ ☺

STEP 1

CLICK BELOW TO COPY THE ASSESSMENT TO YOUR GOOGLE DRIVE:

[Algebra 2 Mid-Year Test \(Google Forms Version\)](#)

STEP 2

You can add questions, delete questions, move questions around, delete sections, etc. If changing a question, you must replace a saved screenshot of your questions with mine. Here is a video showing how to replace a question:

[EDITING GOOGLE FORM ASSESSMENTS](#)

STEP 3

If you wish to adjust how the quiz is set up, click the settings icon in the upper right corner.

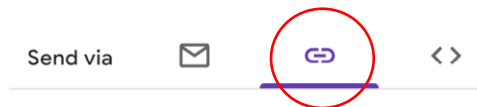

STEP 4

Click "SEND" to send to your students.

NON-GOOGLE CLASSROOM USERS:

Once you hit send, click on the LINK icon. Copy this link and share it with your students.

STEP 5

The answer key has already been done in Forms, so it should grade for you. There is a paper version of the answer key included at the end of the PDF version as well.
